18 WHAT TO EXPECT WHEN YOU RECEIVE YOUR ORDER:

We make it easy for you to hand out the ordered garments. Each individual's order is packed in an Imagemakers garment bag with a copy of their invoice. Each garment has its own hanger and protected by a plastic cover. All individual bags are packed in a box and shipped via a courier, door to door. The box is addressed to the contact person, at your company. There is a delivery statement in the box for the contact person, summarising the number of the individual parcels, who they are for and their value, along with a copy of all invoices for your accounts department. Delivery can be expected within 8+ weeks from the date of confirmation of order.

19 DO WE HAVE A WINTER AND SUMMER CATALOGUE:

We have designed the range to suit both the winter and summer seasons. You will see well co-ordinated warm and cool looks throughout this catalogue.

20 GARMENT CARE:

Our garments and fabrics are selected to suit different climates and seasons. All our garments are easy care. Provided that you follow the garment care instructions on the label inside each garment and purchase sufficient garments to avoid excess wear of any one piece, your Imagemakers wardrobe should provide lasting satisfaction. We cannot accept responsibility for damage caused by mishandling or failure to follow garment care instructions provided.
